

**To Our Valued Sponsors and Contributors,**

Through your generosity and support last year, Paws Place was able to break ground for the building of our new indoor kennel located on HW 87 – just off US 17 in Winnabow. We are targeting a year-end 2016 opening so our dogs will enjoy their first winter out of the cold and harsh elements!

**We need your continued support** as we host our 2016 annual fall fundraiser **“Raise the Ruff and Beyond”** on Friday September 30<sup>th</sup>. Proceeds from this dinner/dance/auction will fund final construction and start-up operations of the 6,000 sq. foot facility that will provide a sanctuary for countless at-risk dogs in the Carolinas.

**Every dollar counts...and there are several ways to contribute:**
